

May Fayre and other bits!!

Cakes

Sorry all, I know its Friday night, but whilst I remember and get a chance, I wanted to remind everyone that Next Saturday (May 20th) between 12-2.30 we are running cream teas as part of the School May Fayre. We are looking for any donations of homemade cupcakes/ tray bakes or biscuits for children that we can sell along side the Scones, clotted cream and jam!

Cream teas will be £3, cake £1 or 50 p if small. Squash and a biscuit 50p squash and cake £1. It would be lovely if you can come along and support us. Profit from our stalls will go directly to preschool.

Teddies

We will also be running the World famous “TEDDY TOMBOLA” and have already received a good number but there are never enough so if you want to get rid of any soft toys this weekend please bring them in next week! It is always a very popular stall!

One go will be 50p or you will get 3 goes for £1 , (you are almost guaranteed to win a teddy!)

Empty wine bottles

Thank you all for your fabulous donations of FULL bottles for the Wine Lotto! I am now requesting you bring in an empty bottle (a good excuse for the weekend). Also if anyone has any Newspapers, please bring those in early next week.

This will be £1 a go, so make sure you bring lots of cash.

Volunteers

My amazing Early Years Team are going to run the Cream teas and our children will run the Teddy Tombola but I could do with some adult volunteers to man the wine Lotto so please let me know if you could sign up for a 15 minute or half an hour slot..

Plants

In true pandemic craze style we are trying to grow things from pineapple tops, pepper seeds, garlic and sun flower seeds, old potatoes and carrot tops! I thought it would be nice to grow more plants too. In the past we asked families to bring in a plant, maybe surplus that they have grown, one they have split or one they have bought, and we would have a wide variety of plants to watch grow! So if you are a Gardener or know one, think of us and bring in a plant!

Right now I am going to start my weekend and maybe see if I can provide an empty bottle for the cause! See you next week!

Ruth
